End of Day Pickup Routines

I would like to thank out entire school community for their support with the alignment of our finishing times. It has made a significant difference for students and teachers, and ensures that we are maximising the learning opportunities for all students.

Motorists using Albert Street can assist in maintaining a safe environment for all members of our school community and avoid incurring an infringement notice by -

- Arriving at the pickup zone after school has been dismissed
- Not parking in the drop off/pick up zone or other 'no parking' zones
- Driving around the block if your child is not yet at the pickup area
- Delaying your pick up until after 3.40 pm when traffic volumes have significantly eased

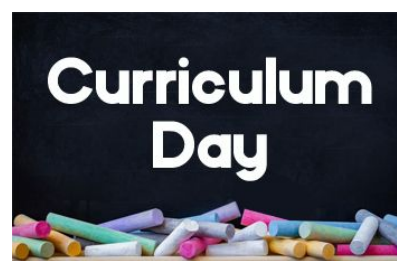

Each afternoon staff members supervise waiting students at each gate location, calling their attention to cars as they arrive to assist in minimising the time motorists spend in the restricted area.

Our neighbours in Deakin Avenue and Albert Street have asked that parents do not park across their driveways at any time.

Assessment and Reporting Curriculum Day

On Friday 20th of September (last day of Term 3). All staff will be engaged in assessment and reporting requirements. **On this day STUDENTS ARE NOT TO ATTEND SCHOOL.**

Our Out of Hours School Care program will be available on this day for families. Limited Spaces are available and bookings are essential.

NAIDOC DAY ASSEMBLY

Recently, we held our annual NAIDOC Day Assembly. This was an outstanding event with the performances of our Indigenous Girls Choir and Boy's Dance Group a highlight of the day! Thank you to Mr. Watson for coordinating the events and to all of our community members who supported students to prepare for the assembly.

JSC Fundraiser - Pyjama Day

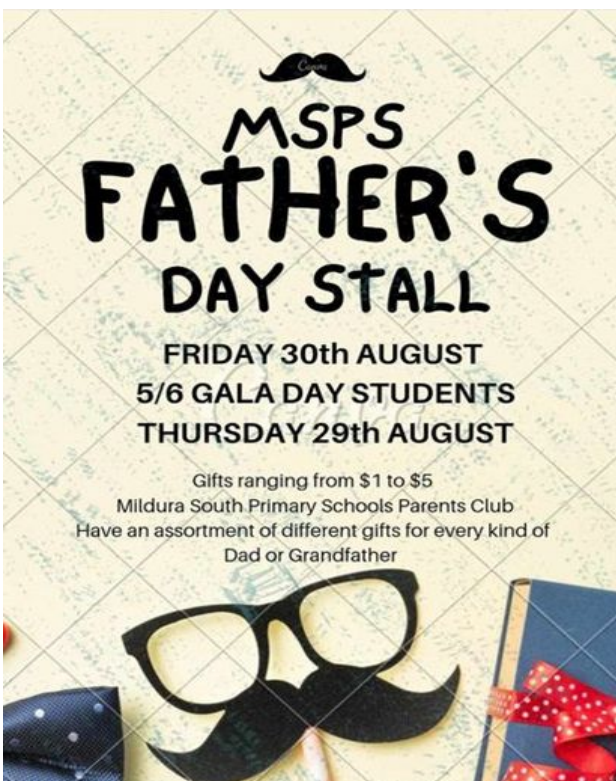

The JSC are organising a fundraiser to support our local animals. They will host a Pyjama Day Friday 6th September. Please bring gold coin donation. The money raised will be donated to Sunraysia Animal Rehousing Group (SARG). Bring out those animal onesies 😊

SARG

Based in Mildura since 2008, Sunraysia Animal Rehousing Group (SARG) have been finding new homes for vulnerable abandoned, surrendered and homeless domestic dogs and cats (with the occasional bunny or goat assisted also!). They are welcomed into the homes of our wonderful network of foster carers (all volunteers) where they receive loving temporary care and support prior to being advertised for adoption. Each animal is fully vet worked then placed formally for adoption via Pet Rescue.

How will the funds be used

To fund the costs of providing veterinary care and other rehoming costs, e.g premium food for puppies. We are 100% volunteers, with no staff nor administration costs - all labour and skills provided are voluntary. Your donation will be used for the care of and costs associated with rehoming.
